

Science Fair Schedule

DUE DATES

Description of Portion Due

September 7 and 8

“Science Fair Proposal and Beginning Research.” Must be completed using the form found on the VRHS Science Fair website.

September 28 and 29

“Part 1 of Research Paper.” Should include title page, introduction (review of published materials and relevance of this material to your project), and bibliography in correct format. Use this link to help you correctly format your bibliography or use reference materials in library.
http://vrhs.leanderisd.org/libraryf/library_main.htm

October 11 and 12

“Experimental Procedure and Time Table.” Use the form provided on the VRHS Science Fair website.
http://classroom.leanderisd.org/webs/Science.Fair/upload/experimental_procedure_2005.doc

October 19 and 20

All forms are due: Research plan with materials list, Forms 1, 1A and 1B. Any required supplemental forms must also be included. See this link for a list of required ISEF forms.
